

The image features a background of two air conditioning units in a yard, with a brick wall and a window above them. A large, stylized graphic on the left consists of a blue-to-red gradient arc. The text 'HP & ALL' is prominently displayed in white, with a stylized logo between the ampersand and 'ALL'. Below it, 'PROJECT PRESENTATION' is written in a smaller white font.

HP & ALL
PROJECT PRESENTATION

ABOUT THE PROJECT

HP4ALL will enhance, develop and promote the skills required for high quality, optimised Heat Pump installations within residential/non-residential buildings bringing Europe to the forefront of the climatization sector.

OBJECTIVES

Design Heat Pumps competency
& excellence skills framework

Increase the number of skilled workers

Enable end users/clients to demand
high quality solutions

Replicate the project at national and EU-level

IMPACTS

Primary energy savings
2 GWh/year

Renewables production
1.95 GWh/year

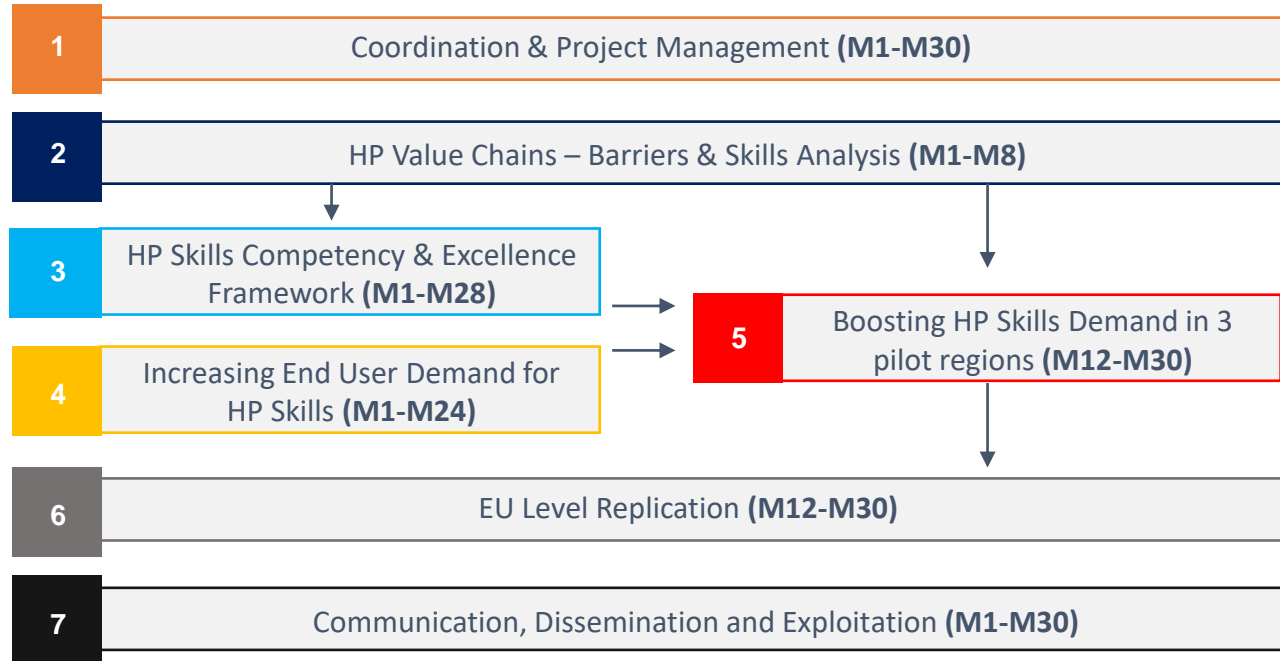

Reduction of
628 tCO₂ /year

400
People trained

1
Heat pump benchmarking tool
